

Insurance Waiver Form

The Lordstown High School/Junior High School Athletic Department requires that all athletes be protected by insurance coverage before they can participate in athletics – either practices or games. Parents have the ultimate responsibility for securing proper insurance for their child. Evidence of this coverage must be filed each season that the athlete participates with the Athletic Office. Any change in status must be made known to the Athletic Department.

Any questions regarding this requirement should be directed to the Athletic Director at 330-824-2540 or the High School Office at 330-824-2581.

Date _____

I give _____ permission to try out and/or
Student's Name

play on the _____ team.
Name of Sport

Please check one of the following:
